

THE WORLD'S GREATEST OFFICE FURNITURE: NEVINS TO BE FEATURED ON NATIONAL TELEVISION

Houston, TX – January 28, 2013 - Nevins, the leading furniture manufacturer offering the industry's finest in tables, public seating and lounge setting accessories, is pleased to be recognized on national television.

From Birmingham to Bangladesh, the award-winning producers of "World's Greatest..." search the globe in pursuit of the best of the best. Promising to educate, inform and entertain viewers with a whirlwind of adventure, they showcase luxurious hotels, glamorous homes, problem-solving gadgets, the finest clothing, the latest electronics, and much, much more.

When the time came to create an episode on the World's Greatest in commercial furniture, the "World's Greatest..." producers carefully considered a list of 50 companies. From that list, they selected five to feature in this particular segment. Of the five chosen, the producers determined Nevins to be the World's Greatest in today's office furniture.

What sets Nevins apart from its competitors – and what makes Nevins one of the "World's Greatest" – is their passion to satisfy each customer's needs and wants. The breadth of Nevins' product offering combined with their unique customization capabilities give each client the ability to customize any product to their exact taste and specifications. Nevins has set the standard for customer satisfaction.

Other noteworthy "World's Greatest..." recipients include 3M, Cinnabon, Siemens, and EatZi's. Looks like Nevins is in good company.

Scheduled to Air on February 4th and February 11th – make sure you don't miss this segment of "World's Greatest..."! Check with your cable or satellite provider for channel listing.
