## **Specifications**

All specifications stated herein are subject to change without notice. Any product dimensions stated herein are nominal.

## **Construction**

Available as magnetic or non-magnetic, Nevins Think Glass Boards, are made of 1/4" Starphire tempered, back painted glass and is constructed in 2 layers; top layer is clear and the back layers is the painted surface. The edge profile is a flat polished edge with a 1/16" bevel on both top and bottom of the edge. Corners are slightly eased. Unlike standard "white boards", your glass writing board will never ghost, dent or yellow with age.

## **Glass Finishes**

The standard finish of the top glass layer is clear. Etched finish is available by request; please contact Nevins Customer Service Department.

## **Paint Color**

The standard paint color is white; black is available by request (replace the "W" in the model number with a "B"). Custom color matching is available by request; please contact Nevins Customer Service Department.

## **Color Samples**

Nevins can match most color samples. At the time of the order, please provide Nevins with (2) samples that are at least 4" x 4". Samples should be labeled with the customer's order reference number and sent to Nevins Customer Service Department : 14006 Newberg Rd, Cat Spring, TX 78933. Customer's color samples will not be returned. Orders with color match requirements may have an extended lead-time.

## **Mounting Hardware**

Nevins Think Glass Boards mount to the wall with no visible hardware for a clean, aesthetic appearance. The standard mounting hardware supplied per board is (2) 1 3/8" W Z-Clips bonded to the back of the board and (2) loose wall cleats that fasten to a wall for hanging. Screws and plastic anchors are included.

## **Custom Sizes/Shapes**

Custom sizes, shapes and cut-outs are available. Please contact Nevins Customer Service Department.

## **Care and Maintenance**

Use a dry-eraser or dry paper towel to wipe away dry erase markings regularly. Any dry-erase markers can be used. Occasional cleaning using glass cleaner or wet paper towel to maintain clear visibility is recommended.

## **Warranty**

Nevins Think Glass Writing Boards have a 10 year limited warranty against fading, peeling or discoloration. Not included in this warranty are the following conditions: normal wear and tear, natural weathering or fading of hardware or finishes, including corrosion in highly corrosive environments. Glass breakage, scratches, failure due to misuse, abuse, lack of maintenance, or by alteration to the board. Improper handling, installation or maintenance. Damage from settling or movement of wall or building. Condensation due to excessive humidity levels in building. Labor and materials for installation of a complete replacement product or any repainting or finishing required in connection with any warranty work. Incidental or consequential damage.
