Introducing Transit Tablet Table

Nevins is pleased to introduce the stylish and compact Transit Tablet Table. This highly functional table utilizes lounge seating to create a personalized space to quickly accomplish any task – from emails, to meetings, to snack breaks. Transit effortlessly nests up to lounge and modular seating thanks to its slim offset steel column base design. Transit offers ample work surface and creates the perfect resting place for your laptop or coffee making it an instant workstation. This stylish table is crafted with either a circular or rectangle top and corresponding base plate shape. Customize transit with a laminate, veneer, or solid surface top finish, and choose from a diverse selection of base finishes to create the perfect pull-up table for your space.
